

VMMC SUPPORTS NATIONAL WOMEN'S MONTH

The Veterans Memorial Medical Center joins the nation in celebrating the National Women's Month.

This year's theme is "*WE Make CHANGE Work for Women*". This highlights the empowerment of women as agents of change that is anchored on *malasakit at pagbabago*.

To cap the six-year recurring theme above, this year will focus on the sub-theme: "*Agenda ng Kababaihan, Tungo sa Kaunlaran*". It will be a celebration of women exercising their choices, taking chances to make their voices heard, and benefitting from and trailblazing changes. It is a celebration of Filipino women's power to take the narrative, raise priority issues that matter to them, and call for concrete actions.

The conduct of the National Women's Month celebration is under Proclamation No. 224 and 227 series of 1998. This celebration also coincides with the worldwide observance of International Women's Day.
