

PVAO-VMMC partners with the Philippine Information Agency (PIA) for the Information Dissemination of the Veterans Hospitalization and Medical Care Program (VHMCP)

Resource speakers of the Philippine Veterans Affairs Office (PVAO) –Veterans Memorial Medical Center (VMMC) Veterans Hospitalization and Medical Care Program (VHMCP), in coordination and partnership with media experts of the Philippine Information Agency (PIA) had the chance to reach a wider audience when they guested on several TV and Radio shows to discuss the details of the program.

This was made possible through the efforts of the PIA, the foremost government agency that specializes in information dissemination, which offered its support and services to PVAO and VMMC using various platforms such as Radio/TV guesting, Social Media, Press Releases among others in the dissemination of information related to the VHMCP.

The VHMCP Committee regularly conducts radio guesting at DWDD Katropa Station, a partner AM Radio Station under the supervision of the Department of National Defense, to discuss the details of the program.
